- ★ It is important that members are proactive in supporting and maximising the opportunities at the Academy
- ★ Members will aspire to examinations in all dance & drama classes either individually or part of a group entry. Fees will vary accordingly depending upon level
- ★ The Academy produces a Gala production every 2 years for all members to experience a theatre environment & perform for their friends and family - a small performers fee will apply to each individual to assist with the vast production costs
- ★ Training for members goes beyond the studio & therefore students are required to support & participate in at least one event per term
